SUMMER HOLIDAYS 29.06-11.08.2020

→ ATTENTION: These children and adolescents do NOT have to go to school.

Please inform the school management (letter, mail) from:

Family history - risk to health

- Pupils have pre-existing conditions.
- A person in the family has previous illnesses.

You give a medical CERTIFICATE from a doctor to the school

Dangerous previous illnesses in the family with COVID19:

Heart disease, high blood pressure, lung disease (COPD, bronchial asthma), chronic liver disease, kidney disease, oncological diseases, diabetes mellitus, weakened immune system)

→ Emergency care

There is special support at school for pupils in grades 1-6. You must apply for emergency care.
Have a right to emergency care:

o Parents work in systemically relevant professions

o Single parents who are working or taking an exam
o Families supervised by the youth welfare office (no application necessary, the youth welfare office decides)
o Children with special needs.

You can find the application here:
